Dear Praying Friends,

*Philippians 4:6, 7, "Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."*

Thank God for His protection and direction of our ministry in China. We are back in the States for three months to attend Micah's and Jesse's college graduation on May 5. After graduation, Micah would like to teach computer programming in a Christian School in the US. Jesse plans to go on to med school. Jesse is considering helping with a US church planting work in the year between graduation and beginning med school.

We arrived in South Carolina on the last day of February after spending one week with Debbie's family in Canada. After two weeks in the States, we have already visited seven churches. Thank you to all the churches who scheduled us on such short notice. We will return to Beijing before the end of May. During this time we will try to visit as many supporting churches as possible.

Please pray for the Chinese man who will be in charge of church services during our absence. He is very busy with a fulltime job. He coordinates who will speak at the services as well as speaking himself and dealing with any matters that arise. Please also pray for the American teacher, Melinda, who is teaching English classes and children's Bible club classes. Please pray for her health, wisdom and protection.

We thank God for our Chinese young men who are studying in US Christian schools and Chinese colleges. Please pray that they will serve God around the world. Please pray that God will have them meet Christian ladies who will be willing to serve God with them.

We really appreciate each of you who pray for us regularly. It is such an encouragement to us. May God bless your family and ministry.

Your servants in Beijing,

  
John, Debbie, Micah and Jesse Andersen
