January February March 2018

To our supporting Churches and Dear Friends:

Greetings in Jesus name.

*The month of January has been a real storm for our family. Starting out with myself the first week with bronchitis then to the doctor, then I came down with pneumonia all in all it took me down most of the month. Mamie had bronchitis as well, and then our daughter fell hit her head and started to bleed on the brain which led to her having a craniotomy. She is doing better now, praise the Lord! The month of March has been better but not without some sickness, Mamie had some infections and was put on some very strong antibiotics but again praise God she is better! I have been having some dizzy spells but they too are getting better, the Lord has allowed us to keep most of our meetings all thought I would have loved to held all of them. We missed your fellowship. I had a visit with the heart Doctor the last of March. The doctor said we might can wait to the last of July before the pacer/defibulator change out, glory!*

*We are back full swing in our meetings and the Lord has given some really good ones. We are now in our summer circuit which will carry us into nine states covering about 3091 miles. Please pray for our safety.*

Praise and Prayer Request!

1. Praise the Lord for your love, faithful prayers and support, phone calls, it greatly encourages us.
2. Praise for all the safe miles we have traveled so far, preaching the Gospel of Christ.
3. Praise for he keeps us very busy and for the many little things every wonderful day of our lives
4. Praying for more to trust Christ.
5. Pray for Mamie her stomach is much better but still flares up once in a while.
6. It looks like the last of July 2018 I'm due a replacement on my pacer / defibulator?

Joyfully Serving Jesus
