MISSIONS

SPRING REPORT 2017

To the ends of the earth. Til the close of the age.

Dear Friends and Faithful Supporters,

It has been a great month back in Mongolia following a fast-moving, but fruitful furlough that took us cross country nearly 40,000 miles to over a hundred churches in ten months! We appreciated the privilege to report back to you and present the expanding ministry opportunities to others. Thank you for your kind hospitality, encouraging fellowship and extreme generosity toward us and the work.

During our time home, we got to celebrate Jonah's awesome marriage to his new wife Nadia, mine and Trina's 30th anniversary, Jaazaniah's high school graduation and the precious home-going of our 103-year-old beloved Grandma Clark. What a blessing it was to be stateside for these major family events as we run the race set before us. We enjoyed special time with Judah and Heather and our three grandchildren, our Mom and Dads, brothers and sisters while getting to reconnect with many of you from Florida to Alaska and New Jersey to Wyoming! It has been a packed-full, productive year and we cannot thank you enough for having us in and treated us so well! Please know you are greatly loved and deeply appreciated by the Cofer family.

Along the way, several of your young people expressed an interest in a summer mission internship. A good group flew over, along with our two youngest, Jesse and Jaaz who just celebrated their 21st and 18th birthdays! They are all working hard to prepare for next week's campers and an incoming medical outreach team.

Jonathan Arnold fly in to co-lead this milestone event! Everyone rejoiced as we distributed the first, fresh off the press, copies of the Received Greek Text translation into the Mongolian language to all the visiting Pastors, evangelists, foreign missionaries and national Christian workers. Then Mongolia's veteran Pastor, Ganbat Shileg read a soul stirring chapter from its newly printed pages! It was so Powerful!

These are exciting days for Mongolian Missions as momentum grows in every aspect of the work. Next week, 100 teens from around the country and a dozen college counselors (*who are in training right now*) are coming to our village for the fourth annual Brave-Hearted Youth Summer Camp.

Thank you for your wholehearted partnership through your fervent prayers and sacrificial giving. None of this would be possible without the Lord of the Harvest and you He has led to co-labor in the work. To God alone be the glory!

With Wholehearted Appreciation,
Mickey, Trina and family

We covet your prayers for the Hatgal Baptist Church as a couple of our leaders head out after camp to lay the ground work for a church planting effort in neighboring villages. Please pray for God's guidance and a clear vision for the ones who go and those who send them.
