

NEWS FROM NICARAGUA AND YOUR MISSIONARY BOB DAYTON

April-May 2017

God is our refuge and strength, a very present help in trouble. Psalm 46:1

Because of your love, prayers and support we continue to see an outpouring of God's love and blessings. We built this church 150 miles from the capital city of Managua. How grateful the people are. Thank you for your help.

The river work continues to grow. God has blessed with a 60-hp motor. We have just purchased a used boat to refurbish. We paid \$2,000 for it and need \$3,300 to put it into shape.

Last week six were saved in the river ministry. Two of the men made a trip in 5 hours in a small boat. There are no roads that go into the area. Many have not seen a Bible. The need is great.

Only Mesquite Indians can speak the language. I have a great burden for this area. Please hold us up with your support and prayer. I'll keep you posted.

We thank God for the great teams that have come from the States to help us build churches and repair homes for national pastors. Thank you for your love for us.

May we be found faithful.

Bob Dayton
