

NEWS FROM NICARAGUA AND YOUR MISSIONARY BOB DAYTON

September 2017

My country 'tis of thee...

Blessed is the nation whose God is the Lord (Palm33:12). Thank you for praying and supporting us. You make it possible for us to be your missionaries.

Thank you for praying for Jonny. He is the young man who is pastoring 140 miles upriver in Mosquito territory. There are no roads. He is doing a good job. He is holding two main services and visiting every week. In the last two months 14 souls have trusted Christ. The house we are renting is working out fine. Our desire is to build a permanent work in San Carlos.

Recently we had a group from the States come to help us build the church. They worked tirelessly for one week for a needy pastor, Martin Piez. I enjoyed the great fellowship and hard work of the group. Thank GOD for those of the USA who love our Nicaraguan people and come to help.

We worked many hours every day. This is the third day of building the church. Much progress was made every day. Our goal was to finish the church for Pastor Peiz. Some climbed ladders and others just reached up and laid the tin in its place. Isn't it wonderful that God can use all of us!

The first Sunday night service was a miracle of God, He helped us finish in one week. The church people worked many hours every

day getting the church ready. The pastor, a man of God, 245 pounds, cried like a baby with joy.

God loves the big and small preachers.

In two more months we are praying to be able to build another church 60 miles from Managua.

We need your prayers. We could use some financial help. God is able.

Thank you for standing by the Daytons all these years.

Toys for Children This Christmas

Christmas season is upon us. Thousands of children are praying for some little toy this Christmas season. One church alone has over 400 coming in the Christmas program.

This my 56th year as your missionary to Nicaragua. We would like to present a gift that has some meaning of pointing these children to Christ. I don't want to let them down. We estimate over 3,000 children. Most children would not receive a Christmas gift if we did not minister to them this way. Hundreds of children are saved through this ministry.

Please respond by sending a check to:
Bob Dayton Children Toys
BIMI
PO Box 9
Harrison TN 37341

Everything given will be for the children for Christmas.

We would like to ask that during your activities at your church that you would encourage the young people to support our "Nicaraguan Toys for Christmas." May the Lord bless you as we join in prayer for the ministry.

Bob Dayton
