Dear Praying Friends,

We trust that each one of you had a wonderful Christmas and a blessed New Year! We again had a meal and a good time of fellowship with our brothers and sisters in Christ. We enjoyed food from Mexico, Guatemala, and from here in the States. It was all delicious. The children had a gift exchange among themselves, and they also received a gift from the Church. The Lord is and has been good to us. We are grateful for all He does for us and His protection in our daily lives.

Our people are doing fairly well. We have families who are always faithful, and we have families who are sometimes faithful. One of the reasons is that some work on Sunday and work late through the week. Work has slowed down somewhat, so they have been able to attend more faithfully lately. We are glad of that. You may remember that Higinio was working out of state. He planned to return to Church as soon as that job ended. He recently contacted us to tell us that he is returning to Guatemala. He shared that his desire is to

go to Bible school there and start a ministry in his own country. He knows that he will need the Lord's help because it won't be easy. Because of your support, Higinio, who is from Guatemala, was saved here in the Church. His desire now is to start a work and preach and teach the Gospel there. You and I might not be able to go to Guatemala, but because of your love for missions, Higinio was saved and is returning there. Pray for him that he will be able to find a good Bible school and later start a church and win many people to the Lord.

We pray that each one of you is well. We are doing okay. Linda and I have had some bouts of sickness and problems with our allergies. Our family is doing well. Sofia still has to wear her braces because of her Blount's disease. The doctor said that it's not an "overnight" fix, but her legs seem to be straighter. We are going to be great grandparents again. Cody and Mackenzie are expecting a baby. We are all happy about this. We do thank you so much for all you do in missions. We are thankful for the gifts and cards we received for Christmas and throughout the year. We can't really express in words the thankfulness we feel when we realize how much you do for missionaries. We can just say, "Thank you and God bless you!"

Because of Christ,

Daryl and Linda Wilson
