I have a few short minutes before our workers meeting at the church in which to update everyone as to what is going on before my general newsletter goes out to be printed.

Thus far 2017 has rendered many sleepless nights doing preparations for church activities that have taken place so far this year. For now I will give just the highlights of the year.

January began with a death in the church family as Michele went to meet her maker after a battle with cancer. We had our DVBS training seminar and workers retreat followed by the 18th anniversary of Bethany Bible Believers Church.

March we held weekly training seminars for the DVBS conducting teacher demos, craft workshop, song workshop and visitation to the surrounding areas.

April we had youth camp followed by our DVBS program. Now I shall keep you in suspense on the results until my general prayer letter but will tell you this much God bless exceedingly abundantly despite the lack of space and workers.

I just arrived this past week from spending 4 days in Romblon, celebrating the 32nd anniversary of my former church in Odiongan

, Romblon. My heart was so blessed. I hope to include some pictures in my formal prayer letter.

I ask your understanding for this overdue prayer update and do trust God is blessing each one of us as winter has turned to spring and now soon to be spring has turned into summer

One of my co-workers is coming out tomorrow for a short vacation. When she leaves I will once again commence with regular Bible studies and Bible club. Please keep me in your prayers as I begin my 39th year on the field and 41 years with GFA. Thanks for the prayers and support which have made all these ministries possible.

In Christ,
Brenda Hager
