

*A light
to lighten the Gentiles,
and the glory
of thy people Israel.*

- Luke 2:32

Bob and Carolyn Humphreys

Dear Faithful Supporters and Helpers in Jewish Missions,

“Who is He in yonder stall, At Whose feet the shepherds fall?

‘Tis the Lord! O wondrous story! ‘Tis the Lord! The King of glory!

At His feet we humbly fall, Crown Him! Crown Him, Lord of all!”

“He will bless them that fear the Lord, both small and great. **Ye are BLESSED of the Lord** which made heaven and earth.” Psalm 114:13, 15.

WE ARE BLESSED. . . . So blessed of the Lord to be able to serve Him another year in reaching out to His chosen people, the Jews, to reach them with the gospel. We are so blessed to be your ambassadors for Christ to the Jewish people. God has been so good to us this year, and we are so blessed to have served Him for 55 years!

WE ARE BLESSED. . . . So blessed to be able to continue our ministry at the Retirement Home in Atlanta every month this past year. As we are writing this letter, we are looking forward to our Hanukkah/Christmas Party where we will present the birth of Jesus, the Messiah, and also explain the meaning of Hanukkah. We are especially hopeful that the two Jewish sisters will attend our party this year and will hear the story of how God sent His Son Jesus to be born of a virgin as the prophet prophesied in Isaiah. We are praying for God to bless and work in hearts and open eyes to see the truth about Jesus, the Messiah of Israel. We are so thankful for the ones who have been saved at the Retirement Home through the ministry of God’s Word this year. We are also blessed for the Stallards who have been assisting us in our services.

WE ARE BLESSED. . . . So blessed to have health and strength from the Lord to be able to continue to minister for His glory. I have recently been diagnosed that my nose is filled with polyps and I have a fungal sinus infection which I have had for several months but they did not diagnose it until now. I am on steroids to shrink the polyps and antibiotics to clear up the infection. Hopefully this will be taken care of soon and I will be feeling much better. Continue to pray for God’s healing and for His strength in these latter years of our lives. As we both grow older, we depend more and more on Him to give us daily strength.

WE ARE BLESSED. . . . So blessed with wonderful grandchildren. Our grandchildren are a blessing to us every day. And we have a new great granddaughter, Emma Kate, and she is so beautiful and so special to us. Our granddaughter, Ashley, was married to a wonderful young man, Andrew Brownell. He has already been a blessing to us. Seth is 19, and is doing well as a sophomore at Carson-Newman University this year. He is on the University’s baseball team. We are so proud of him! Jonathan just turned 16 and is a sophomore in high school. He is a great athlete in all the sports and we enjoy being at his games. We are so proud of him! We are so blessed with three wonderful grandchildren and one beautiful great granddaughter!

WE ARE BLESSED. . . . So blessed with wonderful prayer supporters and givers for our ministry. We are so blessed because of your faithfulness in your prayers and financial support. Many of you have been a real encouragement to us just by letting us know that you are praying for us. That means so much to us! Some others have given sacrificial gifts to us at a time when it was needed. That was a blessing to us! We are partners together in reaching out to God’s chosen people who are lost and do not know the Messiah. Our time is short. . . He is coming soon and the opportunities will be over. Thank you for being a blessing to us in our ministry. We are so blessed, and we love you because you are such a vital part of our ministry. Thank you!

MERRY CHRISTMAS IN THE LOVE OF JESUS THE MESSIAH
