Phillipians 4:19 – “But my God shall supply all your need according to his riches in glory by Christ Jesus.”

God is good all the time! The older I get the more I realize “how great is our God.” Not only does He allow us to do His work, Eph.2:10, but He supplies the need every step of the way. This was never more evident in our recent trip to Colombia where God allowed us to help one of the Nationals start a new Church in Bocagrande, Cartagena. It was amazing to see how God used our young college students to assist in this all important work. We saw a lot of people saved and had 50 people not counting our group at the first service and 7 more were saved that morning. We praise the Lord for Bro. Alberto Gomez, who has given His life to reaching the Colombian People. Pray for the “Bocagrande Independent Baptist Church” and those that were saved.

Here at home throughout the different ministries of Ark, we continue to see God working. People are getting saved every week in the youth prison and the crisis programs. To know these young men and children now have a chance to change for God’s glory is a great blessing to me and all of those who help here at the Ark. Pray for our staff as they continue to labor for Jesus.

The pregnancy center provides a great opportunity to share the value of Life, and most important the need for eternal life. Pray for my wife, Carol, as she continues to reach out in this ministry.

School and College are ending and we are beginning work on next semester. Pray as we are expecting new Students. Our desire is to prepare young men and women for full-time Christian service.

Thank you for your prayers and support and for allowing us to be your Missionaries to the Youth of the World.
