Now Preaching to Societies Outcast

September / October 2016

Dear Co-Labours in Christ:

We greet you in the name of our Lord and Saviour Jesus Christ who has told His people plainly: "For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them. Ephesians 2:10. The grace of God not only attaches the blood of Christ to the soul and pays the sin debt, but gives the soul a disgust for the ways of the world and conforms the soul to true holiness! Oh that we be holy and walk holy for His glory as we walk through this rebellious and wicked world!

The Lord has opened doors to use me and keep me busy. It has been a blessing to teach in the Bible institute at the Chattanooga Rescue Mission and preach in their morning and evening chapel services. The Lord has allowed me to purchase some study books for the Bible institute's library. It is a real blessing to teach and preach the Word of God to men that are battling life's difficulties. Please pray for a young man in the Bible Institute that is now struggling with the death of his wife that he loved dearly, and is now seeking answers from the Lord. Please remember me in prayer as I teach and preach to those men as they seek help from God and wrestle under the burden of their sin.

It was a delight in the month of October to fill the pulpit for Brother Gary Wilkinson at the New Hope Baptist Church in Rossville, Georgia. It was a blessing to be with the people there. I also enjoyed seeing many old friends at East Brook Baptist Church in Lynchburg Virginia, and was asked to preach the Wednesday night service. While in Lynchburg we were informed of the death of Mrs. Uthup. She was the Pastor's wife of another supporting church in Madison Heights VA. We were able to attend the funeral service of this precious lady. Please remember Brother Jacob Uthup and his family in your prayers.

The Churches in South Africa are doing well and Pastor Tsholwe continues to Preach and train men to preach the Word of God. They continue to stay in touch with us through Face Book and Email. They miss us and our hearts remain with them. There are so many villages near the Botswana border that have never heard the Gospel of our Lord. Please pray for them as they keep on laboring for our Lord

Thank you for your prayers and financial support that helps us in the work that God has called us to at the Bible institute at the Chattanooga Rescue Mission. May our Lord send you His blessing for your labour of love!

Yours by the mercy of God,
George & Bobbie Kinsey
