# A FACELIFT FOR MANY TITLES

Since moving the ministry to Bethel Baptist Church we have been busy utilizing our new equipment to bring more current and colorful artwork to the front of many of our tracts. Pictured below are some familiar titles with a brand new look! Enclosed are two of them.

# SAVED & CALLED TO PREACH!

What a great blessing it was to receive the following letter:

*"To everyone at Hope Tract Ministry,  
Thank you for the work that you do and for the tracts that you produce. About 2 ½ years ago I first came across your gospel tracts and they interested me. I can't rightly remember which tract it was, but as I read one, and it's message of salvation, and of accepting the Lord Jesus as Saviour, I realized that I had never truly trusted in Christ. After that realization and after several weeks of the Holy Spirit dealing with me every church service, I finally accepted the Lord Jesus as my Saviour. And now this past February I've announced a call to preach and I have begun that work the Lord has called me to. I can't believe how good God has been to me and I simply wanted to write to everyone involved there at the ministry to thank you for being faithful to our Lord and for doing His work and to give you encouragement to keep on serving Him. I pray for Hope Tract Ministry as often as I remember..."*

## SENTENCE COMMUTED FOR DEATH ROW INMATE

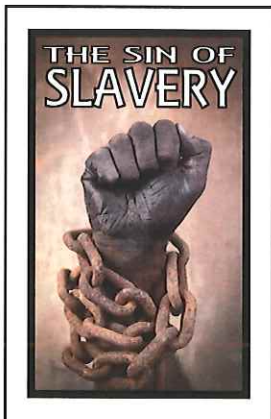

In our last letter we informed you that we had been contacted by Ivan Teleguz, a man on death row in Virginia who maintains his innocence, and thanked us for our tracts which have been a great blessing to him. Since then we have received word that Governor Terry McAuliffe has commuted his sentence to life in prison.

## SIX SAVED THROUGH OUR TRACTS

Since our last letter we have been contacted by four people who received Jesus Christ after reading one of our tracts: two in New York, two in North Carolina, one in a Louisiana prison, and one in a FL prison. Praise God!

## COMING SOON!

We will soon have a new tract ready entitled, "The Sin Of Slavery" which will use the subject of slavery in America, as well as other countries, to expound the truth that although we are all born as slaves to sin, we can all be set free through salvation in Jesus Christ. It should be ready to include in our next letter.

## FAMILY UPDATE

Angela's digestive problems continued to get worse until she had to spend a few days in the hospital. One of the doctor's she saw told her to see an oncologist. That was quite a scare but thank God she was told she does not have cancer. She is doing much better now but has lost a lot of weight. My sleep apnea continues to be under control since using the CPAP machine. God is good and we are thankful for your faithful prayers and support over the years.
