Missionaries with Prayer Baptist Missions International working with Hope Tract Ministry of Bethel Baptist Church

GOD IS SO GOOD, WE ARE SO THANKFUL

We could never thank God enough for all He has done and is continuing to do for us and this ministry. One year ago we had only been at Bethel Baptist Church for a few months, we had no printing equipment and had set up an office in this temporary building. We did have a large inventory of tracts which we were able to take with us and this was an enormous help. Through His people, the Lord provided the money needed to purchase some new equipment and we began redesigning every one of our English tracts and printing them. Our goal has been to have all 52 English tracts finished by the year's end. With two months remaining we have six titles left to print. With God's help we will meet that goal. All of our old equipment was eventually returned to us and remains in storage awaiting our new building. Bethel purchased the land and after almost a year, York County finally approved our plans. The grading is done and we have obtained our building permit. Below is a photo of the land we plan to build on. Our tracts look better than ever before and the demand is exceeding my ability to print. Once we are in the new building and have all our equipment set up, we are trusting that God will send someone to help me print. God has never failed to provide at every turn. We are thankful for Pastor Billy Lingerfelt and Bethel Baptist Church who are resolved to see this ministry grow. God is good, all the time!

WE'RE READY FOR CHRISTMAS!

Our three Christmas tracts are now printed and ready for distribution. Be sure to place your order early as our supply is limited. We have enclosed a sample of each one.

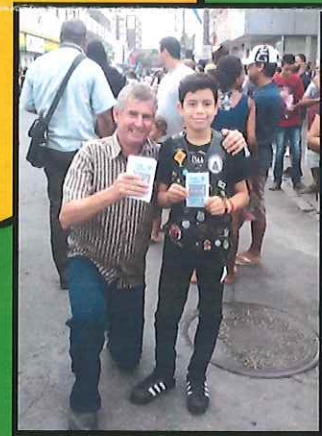

GREAT PICTURES FROM BRAZIL

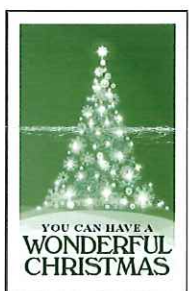

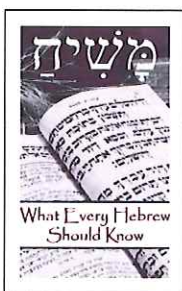

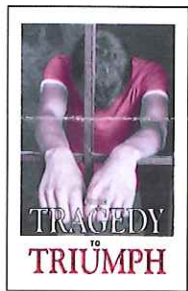

Mario Flavio Ferreira, a national missionary in Brazil, has been using our Portuguese tracts for many years in his ministry.

He sent these great pictures of those who have gladly received the tracts and some who have trusted Jesus Christ as a result.

MORE NEW FRONT DESIGNS

Seven new designs for the front of our tracts have been completed since our last letter. Our goal has been to rework every English tract before the end of the year with our new logo, address and new artwork for the front. A few designs will remain the same and those are the only ones we still have left to do. The response has been overwhelming with orders coming in at a rate faster than I can print them. Once we get in our new building I will need some help. Please be praying that the Lord will meet this need.

Thank You All So Much!

We wish you all a Blessed Thanksgiving and a Merry Christmas!
