JANUARY OF 2017

Beloved Prayer Warriors:

The expectations and challenges of a new year certainly urge us to diligently pray that the Lord will send us a greatly needed refreshing revival. The salvation of precious souls all around the world demands it. "Revive us again, o Lord!"

Gratefully we acknowledge all that the Lord has done for and through us here in Brazil. As we reflect on all that has taken place over here in the last **36 years** our family cannot but renew our commitment to dedicate our lives anew so that we will fulfill the Great Commission. The evangelization and the edification of souls continue to be our very motivation for serving our gracious Lord.

Praise the Lord with us for souls who have recently trusted in Jesus as their Lord and Savior. We urge you to diligently pray for the following newly converted people as we endeavor to help them to grow in the Lord: *Elizeu; Lizamara; Lucimara and Caio (son); Reginaldo and Julia (daughter); Sophia; Mauricio and Marlene, a precious couple we had been giving the Gospel for over 15 years – they are also the parents of a girl that graduated from our school a few years ago and is now preparing herself to go to Africa as a missionary.* Pray also for many other school students that came to trust the Lord, responding to our invitations at Chapel. Their names are *Beatriz, Gabriela, Isabella, Rebeca and Victor.* Aren't you glad for having a vital part in such a rewarding ministry? Alleluia!

*Please, Help us!*

**The Church at Bonfim Paulista**

*Please, Help us!*

Please, continue to pray for the church we started in **Bonfim Paulista** a couple years ago. Many souls there have trusted Jesus as their Lord and Savior and soon after been baptized. The church has already over 40 people steadily attending it. After we were forced to move out from the school by the "spiritist-voodooist" principal we bought the properties I had mentioned to you in previous newsletters.

Now we have been praying that the Lord will provide for us our own meeting place to get us out of a very expensive renting situation. BIMI has agreed to let me take a short trip to the US and endeavour to raise some funds for our church building program. Therefore, I have been here in the US since **January 5** and plan to return on **February 9**. Our present goal is to raise some needed **\$30,000** for this phase of the building. We gratefully acknowledge some **\$5,000** already donated to us by a couple very generous churches. **Could you help us in any possible way?**

Please accept our heartfelt gratitude for your faithful support. May the Lord bless every one of you.

Serving in the Lord's Harvest,

*Milton Nunes, Sharon, & Family*
