Camp Creek Baptist Church
Dear Co laborers and Friends in Christ,

Greetings in Jesus Name once again from Bolivia. Praying that each one is in reasonable health and every need met! The longer I am here in Bolivia the more I appreciate each and every one of you my faithful prayer warriors and financial supporters! Thank you for your continued confidence in my person as your missionary to Bolivia and your continued support in this New Year 2018.

Brother Eduardo Chumira continues faithful in his studies at the Bible Institute. He comes to my home in Santa Cruz about once a month to take exams, give an update on the church in Ivitipora, and plans for the year. Under his capable charge he is leading the church to a higher spiritual plain. There are several for baptism and a new couple who wants to get married. It is not in the Guarani custom to marry and it takes the power of Christ working in them to get married!

Brother Jose Toro continues working at Starr of Bethlehem Baptist Church and also Aratgua Baptist Church (in the Guarani village). He and I are working together to build a strong Sunday school at the Guarani church. Please keep him in your prayers and the two churches.

Brother David Torrico continues faithful at Glory of God Baptist here in Santa Cruz. The church has grown under his leadership. Please pray for him as we believe he has autism. There are signs once in a while but he doesn't let on to anyone. He is a good soldier! He has a strong visitation program and takes the young people out to evangelize open air!

I will be coming to the states probably in May for a medical leave. I don't know anything yet but I believe I have some cracks in my spine from osteoarthritis which I has been progressing there for several years. I researched on the internet and found that there is bone cement that is injected into the spine to fill in these cracks. I have had limited activity the past month due to this problem. There is a lot of pain with it and at times I find it difficult to walk. Hopefully I can have this corrected in the states. I also read where the injection of bone cements dries in 5 minutes bringing instant relief! Please pray!

Cordially in Christ,
Brother Mike Overton

THANK YOU FOR SUPPORT RECEIVED (1st quarter 2018)

January \$100 February \$100 March \$100

EMMANUEL BAPTIST CHURCH – Santa Cruz

Brother Roberto Soliz – Pastor

The church recently had their 25th church anniversary in a 4 day meeting.

GLORY OF GOD BAPTIST CHURCH – Santa Cruz

Brother David Torrico - Pastor

Glory of God Baptist Church continues prospering under the good leadership of Brother David Torrico. They also had their anniversary meeting recently with a good attendance. There are several new converts awaiting baptism. It gives me great joy to see this church going forward. This is the church where I worked as their missionary pastor about 7 years in its forming years.

STARR OF BETHLEHEM BAPTIST CHURCH

Evangelist Jose Torro

Brother Jose continues faithful at this rural independent Baptist church in the river community of Abapo. Here he is seen evangelizing a Guarani family. He travels about 150 miles one way to get to the church.

ARATGUA BAPTIST CHURCH - Ivitipora

Brother Eduardo Chumira – Layman pastor

Brother Eduardo is a student in our Bible Institute by correspondence as he lives in the community of Ivitipora (165 miles from SC). I put him in charge of this Guarani work in 2017. He has proved very faithful and capable of taking the church forward! Please pray for him.

Here Evangelist Jose Toro is pictured with the first Sunday school class (Aratgua Baptist Church). I have asked him to go twice a month to help start the first Sunday class with the Guarani children. This was the first Sunday at the church.

As you can see by the picture we still have a long way to go finishing the church bldg. Please pray for the financial need here!

Please pray for these men and the churches they are in charge of! Pray for the finalizing of Andes Amazon Int'l Baptist Mission here in Bolivia!
