Dear Co laborers & Friends in Christ,

Greetings in Jesus Name once again. I pray that each of you is well and in reasonable health. I sincerely thank you each one for your continued faithful prayers and financial support! It is hard to believe that we are half way thru this New Year 2018!

As I had written to you in my last news letter that I needed to take a medical leave and get some medical things done so I have done arriving here in the states Thursday June 21. As it has been 1 ½ years since I was last here I thought it wise to come in and have some things checked out. So far I have had my regular check up with the dermatologist and there was no real problem with my skin. Also I was seen by a rheumatologist for osteoarthritis which has been bothering me lately. Praise the Lord that it has not advanced very much and I am still mobile with the help of new drugs. I need surgery on my left eye as there is a large cataract.

This second quarter I have been concentrating on establishing the work among the Guarani people at Aratgua Independent Baptist Church. I have been going regularly teaching and repeating what we have taught and preached there before. Brother Jose Toro also has been going and helping Brother Eduardo Chumira who is the laymen there.

I am rejoicing to report that there are regular visitors now, some have been saved, and some younger couples who want to put their lives in order. There are several couples living together who want to get married and become active members of the church!

The construction on the new church is coming along and the people are doing most of the work There seems to be a good spirit in this rural Guarani church and the people seem hungry for the Word of God! Please pray for Aratgua Baptist church, Brother Eduardo Chumira, and Brother Jose Toro!

Please pray for the Andes Amazon Int'l Baptist Mission. All papers are before the Bolivian government in La Paz. The lawyer said we should have the results in two to three months.

May our God continue to bless our efforts together and supply all your needs there!

Yours in Christ for souls,

Brother Mike Overton
