July - September 2017

Dear Praying Friends,

Thank you for your prayers and support during the last quarter. I was not as busy in July as I normally am but have been very busy during August and September.

### **GOOD NEWS CLUB**

We had a training session in August for Good News Club. This is held in Taylors, SC. We have two new volunteers which I praise the Lord for! We also had a training session at my home church for those who did not attend the main meeting. We had our usual booth at "Meet the Teacher Night" at the school where we pre-registered children and met the parents. We also served breakfast for all the staff at the school which is around 70 people. This lets us meet the teachers and promotes good will between the Bible club and the school. We are blessed to feel welcome in the school and have their cooperation. The principal still allows us to send home registration forms in the children's take-home folders. This insures each family can sign their children up for our club. Many of the teachers are saved but of course they cannot talk to the children about God or the Bible.

There are 110 children registered and we are averaging 85 children each week. There have been 16 children come forward for salvation. Praise the Lord!

### **PRISON MINISTRY**

I am still volunteering with Rock of Ages Ministries in the women's prisons. We have had two services cancelled at Leath in Greenwood for reasons we do not know. I attended the South Carolina Blitz in September which is always a blessing. Rock of Ages missionaries and volunteers go into eight facilities and visit with the inmates and hold church services. The total prison population is 7,000 and there were 1,443 who attended the services. There were 193 professions of faith during the 3-day event. Praise the Lord! Some would ask, "Do they really get saved in prison?" One of the missionaries stated that people are people inside and outside of prison. God is the record keeper. It is a blessing to be able to participate in this event.

Please pray for me as I serve the Lord working with the children and the women in the prisons. God bless you.

Love in Christ,
