Now he that ministereth seed to the sower both minister bread for your food, and multiply your seed sown, and increase the fruits of your righteousness; // *Corinthians 9:10*

November 2018

Dear Pastor Steve and Friends at the Camp Creek Baptist Church,

Psalm 136 should be read daily, not just around Thanksgiving... verses 1 through 3 tell us: *O give thanks unto the LORD; for he is good: for his mercy endureth for ever. 2 O give thanks unto the God of gods: for his mercy endureth for ever. 3 O give thanks to the Lord of lords: for his mercy endureth for ever.* All 26 verses end with the words, "for his mercy endureth for ever". It is hard for me to read this Psalm without getting increasingly excited with each verse!

Our meetings in recent weeks have taken us to churches in TN, North and South Carolina, and Florida. I am writing this from NC where I have been preaching a revival / missions conference at one of our supporting churches... Sunday night a man came forward and got saved! His wife is saved and a faithful member of the church for almost 40 years. He had been in the hospital recently and the Lord had been getting his attention...after going to church with her Sunday morning and evening, he left his wheelchair, and walked to the altar Sunday night, and got saved!! His faithful wife and the church (and me) are still praising the Lord around here!!!

A dear pastor friend is going to Grenada in January and I am praying about going with him (*really wanting to go back to the island and see our folks*). Depending on whether we fly out of Charlotte or Greenville-Spartanburg SC my airfare will be about \$1,000. We would be staying with national pastors and preaching in several churches. Please pray for direction about making the trip, and if so, for our Lord to provide the needed money for the trip.

Please continue to pray for us as we seek to faithfully serve our Lord. We so desire to see His hand working in our lives daily. Samuel has begun leaving his came at home and is improving daily. I had a bit of a (heart) health scare in the last few weeks, but after many tests I was cleared as being in good health (*just really high mileage*). I am facing some surgeries in the near future though, but my heart is ok. Please pray for Dannette as she (*puts up with and*) takes care of us (☺).

Thank you so much for your faithful prayers and financial support for our family and ministry, allowing and enabling to serve our Wonderful Saviour with you. Thank you for the \$315 support received in August, the \$315 in September, and the \$315 in October.

By His Grace,

Tom, Dannette & Samuel # Cor. 4:15
