FAITH STEPS

LIGHT IN DARKNESS...

On February 16th an unsanctioned protest with lighted torches proceeded through the city of Vilnius. On March 11th another protest with chanting "Lithuania for Lithuanians" and counter groups chanting "Lithuania is not for Lithuanians only" and others chanting "Lithuania for all." On March 15th another protest of over 5,000 gathered outside of the Lithuanian parliament under the slogan of "We Accuse!" to protest questionable political actions. Unrest and discontentment fill the air as the people of Lithuania take to the streets with flags, signs, and shouting! Both young and old have been seeking ways to have their voices heard. Many of the protestors have become confrontational. The American Embassy continues to warn all foreigners to exercise

caution and has tried to keep everyone informed of all scheduled protests, but often times these protests are unauthorized. As the people struggle to fill the vacuum in their lives to find meaning and purpose, the protest continues. As their eyes search in the darkness to find enlightenment, I am reminded of The Light... Jesus Christ! "Then spake Jesus again unto them, saying, I am the light of the world:" John 8:12. The people of Lithuania need your continued prayers as the nation is overwhelmed with questions and eyes that are looking in every direction except toward the Savior.
