Dear Praying Friends:

We are thankful to report again on Far North missions and to thank you for your faithful prayers and financial support. We truly are laborers together with God giving the increase. THANK YOU!

On the Field of Malartic, Quebec: It took us seven years to visit David and Marsha West serving in church planting in northern Quebec. Each summer, many of the Algonquin people live out in the bush, so the Wests use this to conduct a Vacation Bible School to reach young people and their family members. We pulled our travel trailer almost 1,500 miles to eventually reach Rapid Seven--no running water and no electricity. Brother West did construct a nice tarp outhouse, for which we were thankful! Over 60 young people heard a clear presentation of the gospel as did some parents attending as well. We will always remember our friends at Rapid Seven. THANK YOU TO DAVE AND MARSHA!

A Faithful Servant Goes Home: On July 14, Kathy and I attended the memorial service for Virginia Sisk, wife of Don Sisk, former General Director for BIMI. Please pray for Brother Sisk as he adjusts to this new phase of his life. THANK YOU TO THE SISKS FOR YOUR GREAT EXAMPLE!

VBS at Our Home Church: Kathy and I assisted at our annual Vacation Bible School at our home church, Camp Creek Baptist Church. Our main ministry was to pray for the students and workers as VBS was in progress. It was a blessing to see and hear our son Jacob explain the gospel to the group each night and to speak to all present at the closing service.

Annual BIMI Director's Meeting: Each August, all the directors of BIMI meet to give annual reports of each field. It is always a great blessing to hear of thousands of professions of faith and hundreds of churches started around the world. We are all praying that God will give us 1,000 church planters.

Papua New Guinea Bible Project: We also heard updates on the PNG Bible Project. So far 330,000 Bibles have been shipped and are being distributed to complete Phase One in high schools and some lower grades. Pray for much fruit from this "SEED" sown in hearts. Pray for more churches to be burdened to give for Phase Two. See updates at www.bimi.org.

Serving with you,
