Dear Friends:

Greetings in the name of our Lord Jesus! Thank you for your continued support of this ministry in the amount of \$100.00.

I am blessed to know that the Lord loved me so much that he came to die that I might have eternal life. I am not worthy and can only praise his holy name for this great love that was shown to me!

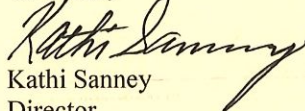

At the beginning of the month of February, about a third of our children and staff have come down with various ailments, viruses, and stomach bugs. We are thankful that everyone seems to be down only a couple of days and are then able to be up and back to their normal schedules. We are blessed to have healthy children.

Our big bus is back on the road. This makes our traveling so much easier. We are now needing to purchase a new set of tires for the bus. This is long overdue. We have been kind of just replacing a tire as needed, and it is now at the place that we need a full set. The cost of this project is \$1,710.82. This is for the tires only. The labor has been donated. Any help that you might could give would be appreciated. Please note on the check that your gift is for the "tire fund."

I would like to make a special request of our Pastors and Friends. Would you please try to think of another church and share the need of our home with them? We are still under supported and would love to be able to talk with them concerning the needs of the home. We would love to bring a group of our children to sing and present our ministry at one of their services as well. Your help in this area would definitely be appreciated.

I say it often because it is always true. I truly love and appreciate our extended children's home family. We are truly co-laborers together in this ministry of pure religion.

In Christ,

Kathi Sanney  
Director
