Church Planters to
ARABIC SPEAKING PEOPLE
in Philadelphia, PA

September 2017

Dear Praying Friends,

I apologize that I am getting this September prayer letter to you a little late; we have much to report on from this last month. First of all, our special outreach with Jersey Shore Baptist Church went very well! Their church brought out around thirty people and we were able to get out between 1000-2000 John and Romans in a little over an hour's time! We're very grateful for they're help in this. **We have another canvassing outreach planned for Saturday October 21, if you happen to be willing and able to come and help us please contact me and let me know; we could use all the help we can get!** In a few days, we will be headed to another church in New Jersey, which is assembling 10,000 more John and Romans for our ministry; this is such a great help and blessing! Pray that God will use these materials to reach Arabic speaking people with the Gospel.

Our Pastor from Lebanon, Milad Khaled, arrived to the States about a week ago. We are so happy he is here with us! He will be helping us in the Arabic ministry while he's here as well as traveling to other churches. Pray that God will give him safety while he's here and that he will be used greatly in the Arabic ministry as well as in each church he visits. Also pray that God will help meet the ministry needs he is seeking to raise funds for in the Middle East.

Over the past few weeks, God has allowed me to get connected with an ESL school in our area of NE Philly. Through this school I have been able to meet many new Arabic people, many of them being Syrian Refugees. We've started to build a relationship with one of these families – we've been over to their house and they have recently visited ours. Pray they visit one of our Arabic services and that we have many opportunities to share the Gospel with them. I plan to volunteer once a week at the ESL school as a way of getting into the Arabic community to build relationships for the Gospel.

God is doing many wonderful things in this new ministry with many opportunities to be a witness for Him among Arabic speaking people and we thank you for your part in it all and for your prayers and financial support of us!

P.S. – Some of you might not know, but we are expecting the birth of our fourth child sometime around January 20th, 2018!
