ARABIC SPEAKING PEOPLE
in Philadelphia, PA

February 2019

Dear Praying Friends,

We were blessed to celebrate two of our children's birthdays recently; Joshua turned one on January 31st and Jennifer turned three on February 17th. We thank each of you who sent a birthday card, it's a special blessing to know many care for and are praying for our children!

Recently one of the Syrian young men we minister to has been reaching out to me to help him some with his high school home work and also SAT prep for college. It's been a blessing to have him call me or send me a message on WhatsApp asking me to help him because it shows me that he knows I care and am willing to help. These opportunities have lead to good conversations about the Gospel. Pray that Abdal Rahman and his family would trust Christ! Please also keep praying for Yousef, he is still missing and no one has heard from him for months. Pray for his safety and that God would lead us to him so that we might be able to help him. Also pray that he would come to Christ.

We are working on designing and printing some ESL materials to begin helping Arabic speakers in our area learn English and to, most importantly, have opportunity to share Christ with them. Pray that these materials will come together and that many people would be reached through this tool of teaching English. Also please continue to pray for a good place to meet in our neighborhood of Philadelphia.

Pray for some upcoming travels, on March 4th & 5th I'll be traveling to Groton, Massachusetts, for the Northeast Church Planting Conference. This will be an encouraging opportunity give money to help support church planters in the Northeast. In the middle of March I'll also be traveling solo to Western Tennessee for a Mission Conference. Pray that I could be a blessing to the church there.

We thank you for your continued prayers and support of our family! Keep praying for that first Arabic soul to come to Christ!
