Church Planters to
ARABIC SPEAKING PEOPLE
in Philadelphia, PA

May 2017

Dear Praying Friends,

As I write this letter, we are finishing up our last mission conference in Vermont before we permanently settle in Philadelphia and begin the work of reaching the Arabic community there to start a church. The time has flown by since we returned home from Lebanon almost a year ago!

God has been answering prayers regarding the materials we mentioned in our last prayer letter. We've printed up some business cards with a salvation verse on them, my contact information, and also information regarding the church, you can find a picture of these below. Also, the John and Romans cover design is completed. We hope to use these covers in July when we assemble 10,000 Arabic/English John and Romans at one of our supporting churches in New Jersey! Right now, I am in the process of getting some other Arabic Materials so when can start canvassing some neighborhoods as soon as possible. Pray that these materials would come soon and that our preparations for outreach would come together. We know there are many Arabic people all around where we live, we see them everyday, but we don't necessarily know where each one lives, so please pray that God would direct us to their homes as we begin canvassing and that He would lead us to some who are earnestly seeking to know the truth about God and eternal life.

We covet your prayers as we step out into these "uncharted waters", at times we are a little nervous and anxious to see what God will do. We trust in Him. We're going to do what He's called us to do and leave the results in His hands. Thank you for praying for us! And thank you for faithfully supporting us in this task! God bless!
