

**2 Chronicles 15:7** "Be strong therefore, and let not your hands be weak; for your work shall be rewarded."

**Luke 9:62** But Jesus said to him, "No one, after putting his hand to the plow and looking back, is fit for the kingdom of God."

**1 Corinthians 9:24** "Do you not know that those who run in a race all run, but only one receives the prize? Run in such a way that you may win."

Kim came home 5/4 from the DR and the birth of Zoe June Bell, born to our kids, Regina and Brandon.

RENEWED: Pilot's license, mechanic's (miraculously also), and aviation physical.

After much prayer, tears, counsel, and many continued heavy problems, it was determined that flying would not be able to continue with the BIG bird. It was sold to a Christian surgeon who flies to a large Indian tribe every two weeks to do volunteer medical service.

*IN ITS PLACE: We have purchased a three place, experimental airplane that we, with our licenses, can do ALL the maintenance (no shops, no fees, no beauracracy), double the economy, that will allow us huge savings and constant flight. It is in new condition and has a normal aircraft engine with a superb safety record. SPECIAL THANKS to Cal Clark for all the work he did to help us with this change-over.*

**UPCOMING:**

June, back to normal ministries at home with much counseling and training. Kim is to give an all-day woman's conference at the church plant we help with interior. We have another module of Master's level training, this time "away from home" in Acre, Brazil.

For some time, I wrestled with leaving the Amazon, and all the really radical changes we were to see in this new ministry, and in preparing for a conference, God brought me back to Isaiah 45:9:

**"Woe to him who strives with him who formed him, a pot among earthen pots! Does the clay say to him who forms it, 'What are you making?' or 'Your work has no handles?'"**

God is so good to give us hope for an extended future serving HIM on the field; REJOICE with us;

Pray with us. Always, YOUR servant HIS bond slave, Allen and Kimberly Yoder
