

STANDING IN NEED FOR YOUR PRAYERS:

Upcoming Schedule starting in two days:

March 2-5- We were invited this year to VINACC (a huge Bible Conference, Campina Grande, Northeast Brazil) where Pastor Carlos Bacoccina and I are **going to present Biblical Counseling to a group of 300 – 500 Pastors and leaders**, for 4 days. (John Piper is among the speakers, He to a group of thousands in the evening. The **REALITY** of this opportunity is hitting me and my feeling is that of fear and trembling... Please pray that we may be bold in speaking of the *sufficiency of scripture* to said group, that God would prepare the hearts, for we may never get this chance again.

March 6 to March 10- Master's degree module ACRE (west) Brazil. A **LARGE** group of pastors, and our two missionary girls in Cobija Bolivia are amongst those students.

At the **CHURCH PLANT**, in Esusebio, God blessed us last Sunday night with around 70 people, a large number this time of new people **SOME** saved, some not. It is very exciting!

MARCH 16- THE BIG DAY FOR US!

Our church plant is going to have it's very first youth Group Meeting. Kim and I are in charge of that with several training in the process. It promises to have more immediate fruit.

Pray for my dad, who had to fight of pneumonia this week. Praise the Lord he is at his own home now and resting.

Because of health issues, Kim will no longer be able to travel with me to the interior works, save an occasional one day women's retreat here and there. I will dearly and painfully miss her at my side. She is doing better with a specialist we have found. Thanks for your prayers.

Standing in awe at what God is doing despite our human interfering and age weakened vessels of clay,
Always, your servants HIS bond slaves
Allen and Kimberly
